Board Meeting

On January 28, 2008 at 7:30 p.m. a teleconference was held between board members. Six of the seven board members were present with Elbert Traylor being absent. Items that were addressed included membership dues, regularly scheduled maintenance of the grounds and treatment of the water, discussion of new grounds by Wahoo and that the final approval to proceed with these grounds will be by a vote of the membership. A discussion followed about a continued search for alternative grounds to be leased or purchased. Members are encouraged to continue to look for alternative grounds for the club to lease or purchase for our club grounds. Judges gifts will be a \$50.00 gift certificate from Cabela's for each judge in all of our AKC events. There will be an owner/handler qualifying held in the fall in conjunction with the licensed field trial. This was passed in an effort to encourage new member participation. The board also discussed membership concerns and the need to keep all members informed of club business and activities. If you have any concerns or suggestions, please feel free to contact President Gary Kavan at 402-253-2798 or email him at buroak@inebraska.com
