Gate Keys

We will be changing the locks on the gate effective March 1, 2010. Upon receipt of your membership renewal, you will receive a new key to the gate. This is your key and your key only!

We had an issue with the duplication of keys and keys being given out to non-members! This is unacceptable nor is it fair to dues paying members. The Board decided last year that should happen again this year, any member who knowingly duplicates a key, or loans their key to non-members will have their membership revoked. Members do have the right to ask non-members to leave the grounds or simply call 911 and report that there is a trespasser on the grounds!
