Dear Bob,

On behalf of the Nebraska Dog and Hunt Club, we would like to honor your outstanding sportsmanship and commitment to the sport of dogs, with a Lifetime Membership to the Nebraska Dog and Hunt.

Through the years, you have been a positive influence on many members, new and old and have always confirmed your dedication to the club through your actions. Regardless of what you were asked to do, whether it is throwing birds, marshalling, or trimming trees, you were always willing to help and give of your time freely. You are what this sport is about!

Please accept this small token of our admiration and gratitude, as our way of saying "thank you!"

With sincere appreciation,
The Members of the Nebraska Dog and Hunt Club

Membership Renewal

Memberships are due at the beginning of the year. Individual Participating Memberships are \$100.00 and Individual Non-Participating Memberships are \$200.00. Family Participating Memberships are \$150.00 and Family Non-Participating Memberships are available for \$250.00. As you may note, the dues have not gone up in the last three years. This is due to the increase in members and their willingness to help! We will not be changing the locks until early April. If you have lost your key, please let Heidi know.

Please complete the attached membership form and return it with your yearly membership dues to the club secretary Heidi Henningson by May 15. Heidi's address is 12525 Main Street, Springfield, NE 68059.

Lock Change

The gate lock will be changed on May 15th. After this date your old key will no longer work. We will be giving/mailling all current members keys prior to this date. If you have not yet joined the club, please do before this date so that you will receive a new key and be able to gain access to the club grounds.

Grounds Maintenance

We received bids on the grading and improving of the road. This will be completed as soon as possible and hopefully prior to the licensed events. This is a priority for the Board. Please do not drive on areas other than the current road.

The Board is committed to securing the future of the NHDC through the purchase or long-term lease of property for use by the club and its members. If you should be made aware of land that might be what we are looking for, please contact one of the board members.
