Licensed Field Trial

This weekend, September 26-28, 2008 will be the Nebraska Dog and Hunt Club's Fall Licensed Field Trial. We have 127 dogs entered from across the Midwest. We will be holding a Open, Amateur and Owner/Handler Qualifying and a Derby. This is a very nice size trial but we are always in need of assistance. This is last remaining licensed events that will take place this year. If you have a working membership, this would fulfill your obligation. If you are able to help gun, throw birds or marshal, please contact Doug Bloom at 402-450-5232 who is the Field Trial Chairman.

The following is the list of stakes and their

starting times:

Open Friday, September 26 beginning at 8:00 a.m.

Owner/Handler Qualifying Friday, September 26 beginning at 9:00 a.m.

Amateur Saturday September 27, beginning at 9:00 a.m.

Derby Saturday September 27, beginning at 11:00 a.m.

In keeping with AKC procedures, there is to be no training on the grounds 24 hours prior to the start of the Field Trial.

Licensed Hunt Test

August 23-24, 2008 the Nebraska Dog and Hunt Club held there Fall Hunt Test. We had 116 dogs and their owners participate. The weather was beautiful for an August in Nebraska. We would like to thank all of our members who helped to make this a very successful Hunt Test. Without your effort it would not be possible to hold these events. Congratulations to club members for their achievements with their dogs. Master passes:

Ruff Rivers Black Magic Marker SH owned and handled by Jason Brion

Brion's Zoey MH owned and handled by Jason Brion

Hunter's Marsh Cocoa Chanel MH owned by Pam Dennis and handled by Brad Lewis (continued)

Memberships

We have had a situation arise where non-members were on the trials grounds and had accessed the grounds using a key that had been copied by a member.

Any member who knowingly copies, or gives their key to a non-member is subject to have their membership revoked. This includes working, non-working or life time memberships. This is not equitable to those members who have paid there dues and have been working to strengthen this club. There are membership forms available on the website. Members who have a working membership still have one for opportunity to fulfill their obligations with the licensed field trial this weekend. We have a wonderful response to the working membership. If you are unable to meet your obligation, you will need to send the additional membership fee to the club treasurer Larry Heil by October 15. Larry's address is 3530 W Old Highway 30, Grand Island, NE.

Grounds

This summer the following members worked to maintain the grounds. They spent a number of hours mowing, trimming the island and cutting cattails. We would like to thank Elbert Traylor, Jason Brion, Gary Kavan and Heidi Henningson for their hard work. This ensured that our grounds were available for training through out the entire summer and at their best for our last two licensed events.

Thank you to Doug Bloom and Elbert Traylor for treating the water to ensure that it would be safe for all of our dogs. All of these efforts paid off as there were a number of comments from club members and Hunt Test participants alike, about the grounds being in the best shape that they had seen them in years!
